INDEPENDENT AUDITOR'S REPORT

To the Audit Committee of
San Diego Public Library Foundation dba Library Foundation SD

Opinion

We have audited the accompanying financial statements of San Diego Public Library Foundation dba Library Foundation SD (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of San Diego Public Library Foundation dba Library Foundation SD as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of San Diego Public Library Foundation dba Library Foundation SD and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about San Diego Public Library Foundation dba Library Foundation SD's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the Financial Statements, continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of San Diego Public Library Foundation dba Library Foundation SD's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about San Diego Public Library Foundation dba Library Foundation SD's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited San Diego Public Library Foundation dba Library Foundation SD's 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 6, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

SAN DIEGO PUBLIC LIBRARY FOUNDATION DBA LIBRARY FOUNDATION SD

Notes to Financial Statements

Year Ended June 30, 2023 (With Comparative Totals for 2022)

Note 1 – Organization and Summary of Significant Accounting Policies

Nature of Activities

San Diego Public Library Foundation dba Library Foundation SD (Foundation) is a California Nonprofit Corporation established in 2002. The Foundation strengthens communities by supporting excellence in the San Diego Public Library system through philanthropy, advocacy, and outreach. The Foundation will create a community where all people are engaged, literate, and empowered to fully participate in society. It accomplishes this vision by partnering with the San Diego Public Library with the mission to develop the world's best library system. The Foundation raises funds and provides a wide range of resources to meet ongoing needs at all 36 libraries throughout the City of San Diego including books, capital for new libraries, programs, equipment, technology, and online resources. Since inception, the Foundation has provided more than \$130,000,000 in funding to the San Diego Public Library system. Through donor support, the Foundation deepens the Library's role as a center of learning, creativity, and innovation in the digital age. Foundation donors help minds grow and enhance the Library's proven track record for strengthening communities throughout San Diego.

Library Shop

The Library Shop is located at the San Diego Central Library. All proceeds benefit the entire San Diego Public Library system. The Library Shop has a carefully curated selection of books, jewelry, children's merchandise, gifts, and art and supports local vendors and artisans whenever possible.

Financial Statement Presentation

Method of accounting – The financial statements of the Foundation have been prepared on the accrual basis of accounting, which is in accordance with accounting principles generally accepted in the United States of America (US GAAP) and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of presentation – The financial statements present information regarding the financial position and activities according to two classes of net assets: net assets without donor restrictions, and net assets with donor restrictions.

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the board of directors.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

The FASB has issued reporting standards for endowments of not-for-profit organizations subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"), and enhanced disclosures for all endowment funds. The standards provide guidance on classifying the net assets associated with donor-restricted endowment funds held by organizations that are subject to an enacted version of UPMIFA, which serves as a model act for states to modernize their laws governing donor-restricted endowment funds. The standards also require additional disclosures about endowments (both donor-restricted funds and board-designated funds) to enable users of financial statements to understand the net asset classification, net asset composition, changes in net asset composition, spending policies, and related investment policies of its endowment funds.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

SAN DIEGO PUBLIC LIBRARY FOUNDATION DBA LIBRARY FOUNDATION SD

Notes to Financial Statements

Year Ended June 30, 2023 (With Comparative Totals for 2022)

Note 1 – Organization and Summary of Significant Accounting Policies, continued

Fair Value Measurements

The Foundation defines fair value as the exchange price that would be received for an asset or paid for a liability in the principal or most advantageous market. The Foundation applies fair value measurements to assets and liabilities that are required to be recorded at fair value under generally accepted accounting principles. Fair value measurement techniques maximize the use of observable inputs and minimize the use of unobservable inputs, and are categorized in a fair value hierarchy based on the transparency of inputs. The three levels are defined as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the same term of the financial instrument.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The carrying value of cash, receivables, and payables approximates fair value as of June 30, 2023 and 2022, due to the relative short maturities of these instruments. Investments acquired by gift are recorded at their fair market value at the date of the gift. The Foundation's policy is to liquidate all gifts of investments immediately upon receipt.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Foundation are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact that price.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid investment instruments purchased with a maturity of three months or less to be cash equivalents.

Investments

Investments are carried at market value, and realized and unrealized gains and losses are reflected in the change in net assets in the Statement of Activities.

Contributions Receivable

The Foundation's policy is to charge off uncollectible receivables when management determines the receivable will not be collected. Based on the information available, management believes that no allowance is needed as of June 30, 2023 and 2022. Contributions to be received over a period greater than one year from the date of the financial statements are discounted, when applicable.

Inventory

Inventory consists of Library Shop merchandise. Inventory is valued at the lower of average cost or net realizable value. Costs are determined on a first-in, first-out basis.

SAN DIEGO PUBLIC LIBRARY FOUNDATION DBA LIBRARY FOUNDATION SD

Notes to Financial Statements

Year Ended June 30, 2023 (With Comparative Totals for 2022)

Note 1 – Organization and Summary of Significant Accounting Policies, continued

Equipment

The Foundation capitalizes all expenditures in excess of \$5,000 for equipment at cost, while donations of equipment are recorded at their estimated fair values. The Foundation has equipment with an original cost basis of \$33,623 that has been fully depreciated as of June 30, 2023 and 2022. Maintenance, repairs, and minor renewals are expensed as incurred.

Donated Office Space, Office Support, and Other Outside Services and Materials

The Foundation received contributed office space, facility costs, printing, postage, and professional services totaling \$122,456 and 121,950 for the years ended June 30, 2023 and 2022, respectively, which have been reflected in the financial statements as net assets without donor restrictions in-kind contributions revenue and program and supporting services expenses.

Additionally, a substantial number of volunteers have donated significant amounts of their time to the Foundation's fundraising campaigns. This contribution of services by the volunteers is not recognized in the financial statements unless the services received (a) create or enhance nonfinancial assets or (b) require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The donated services by volunteers for the years ended June 30, 2023 and 2022, did not meet the requirements above; therefore, no amount was recognized in the financial statements for volunteer time.

Allocated Expenses

Expenses by function have been allocated among program and supporting service classifications on the basis of internal records and estimates made by the Foundation's management. Each employee has their tasks and responsibilities broken down by program and supporting services, and weighted averages are used to allocate expenses.

Revenue Recognition

The Foundation recognizes revenue in a manner that depicts the transfer of promised goods or services to customers in an amount that reflects the consideration to which the Foundation expects to be entitled in exchange for those goods or services. The Foundation earns revenue from contracts with customers, primarily through Library Shop sales. The Foundation recognizes revenue from contracts with customers when its performance obligations are satisfied, regardless of the period in which it is billed. This is typically at the point in time when the performance obligation is completed.

Sales contain a single delivery element and revenue is recognized at a single point in time when the sale is made and ownership, risks and rewards transfer.

Contributions and grants received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. The Foundation recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Grants and conditional promises to give – that are, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions.

Income Taxes

The Foundation is a public charity and is exempt from federal and California income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. The Foundation believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Foundation is not a private foundation.

SAN DIEGO PUBLIC LIBRARY FOUNDATION DBA LIBRARY FOUNDATION SD

Notes to Financial Statements

Year Ended June 30, 2023 (With Comparative Totals for 2022)

Note 1 – Organization and Summary of Significant Accounting Policies, continued

Concentration of Credit Risk

The Foundation maintains cash and cash equivalents in bank deposit and investment accounts. The balances at times may exceed Federal Deposit Insurance Corporation (FDIC) limits. Accounts at each financial institution are insured by the FDIC up to \$250,000. The Foundation has not experienced any losses in such accounts and management believes that it is not exposed to any significant credit risk of cash and cash equivalents.

Note 2 – Liquidity and Availability

The following reflects the Foundation's financial assets as of the Statement of Financial Position date, reduced by amounts not available for general use because of contractual obligations within one year of the Statement of Financial Position date.

	2023	2022
Cash and cash equivalents	\$ 146,529	\$ 1,391,046
Investments	6,187,069	5,806,458
Total Financial Assets	6,333,598	7,197,504
Less amounts not available to be used within one year for general purposes:		
Restricted by donor with purpose or time restrictions	(3,120,080)	(3,685,228)
Board designated fund	(146,192)	(128,043)
Financial assets available to meet general expenditures within one year	\$ 3,067,326	\$ 3,384,233

The Foundation regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of available funds. The Foundation structures its financial assets to be available as general expenditures and other obligations become due. In addition, the Foundation invests cash in excess of immediate requirements in money market and mutual funds. The Foundation's Board designated \$146,192 and \$128,043 as of June 30, 2023 and 2022, respectively, to promote increased understanding and appreciation of the life, times, setting, and poetry of Robert Frost through a variety of educational and scholarly programs.

Note 3 – Investments and Fair Value Measurement

Investments consist of the following as of June 30, 2023:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds:				
Certificates of deposit	\$ 12,082	\$ -	\$ -	\$ 12,082

	\$ 6,187,069	\$ -	\$ -	\$ 6,187,069

SAN DIEGO PUBLIC LIBRARY FOUNDATION DBA LIBRARY FOUNDATION SD**Notes to Financial Statements**

Year Ended June 30, 2023 (With Comparative Totals for 2022)

Note 3 – Investments and Fair Value Measurement, continued

Investments consist of the following as of June 30, 2022:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds:				
Certificates of deposit	\$ 296,410	\$ -	\$ -	\$ 296,410
Large cap - domestic	2,143,265	-	-	2,143,265
Money market - prime	3,139,993	-	-	3,139,993
Money market - treasury	226,790	-	-	226,790
	<u>\$ 5,806,458</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,806,458</u>

Note 4 – In-kind Contributions

In-kind contributions included in the Statement of Activities are comprised of the following for the year ended June 30:

	2023	2022
Office Space (Foundation)	\$ 99,237	\$ 100,530
Retail Space (Library Shop)	23,219	21,420
	<u>\$ 122,456</u>	<u>\$ 121,950</u>

Fair value techniques – Office and retail spaces are valued using estimated commercial and retail prices of identical or similar spaces in the region.

Donor restriction and use – Office and retail space contributions are not restricted by the donor and the spaces are utilized by the Foundation.

Note 5 – Note Payable

	2023	2022
The Foundation has received unsecured loans in the amounts of \$10,000 and \$90,000 from the Friends of San Diego Public Library to be used for start-up and operation costs of the Library Shop. The loans are noninterest bearing and are repayable only from profits generated by the Library Shop. In 2015 the Library Shop made a payment of \$18,000 even though it did not generate a profit. In 2019 the Library Shop made a payment of \$3,869 from its profit.	\$ 78,131	\$ 78,131

Note 6 – Grant PayableGrant Payable – NExT Program

In 2019, the Foundation entered into an agreement to fund and expand the Library NExT STEAM Program for \$637,500, starting in 2020, to be used at any time. Due to library closures as a result of the pandemic, payments on this program were paused until the libraries re-open to full capacity. As of June 30, 2023 and 2022, the balance of the grant payable was \$424,999.

SAN DIEGO PUBLIC LIBRARY FOUNDATION DBA LIBRARY FOUNDATION SD

Notes to Financial Statements

Year Ended June 30, 2023 (With Comparative Totals for 2022)

Note 7 – Restrictions on Net Assets

Net assets with donor restrictions consist of contributions received by the Foundation that have time and purpose restrictions to be fulfilled in the future and consist of the following at June 30, 2023 and 2022:

	2023	2022
Net assets restricted for temporary purposes:		
Branch libraries operations	\$ 1,919,868	\$ 1,895,994
Library capital projects	470,212	709,234
	<u>2,390,080</u>	<u>2,605,228</u>
Net assets restricted for purposes perpetual in nature	<u>730,000</u>	<u>1,080,000</u>
Total net assets with donor restrictions	<u>\$ 3,120,080</u>	<u>\$ 3,685,228</u>

Net assets totaling \$1,813,334 and \$1,242,168 were released from donor restrictions by incurring expenses and costs satisfying the purpose restrictions specified by donors for the years ended June 30, 2023 and 2022, respectively.

Note 8 – Endowment Net Assets

The Foundation's endowment consists of individual funds established for a variety of purposes. As required by US GAAP, net assets associated with endowment funds are classified and reported based on the existence of donor-imposed restrictions. The Foundation has interpreted the enacted version of the UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as net assets with donor restriction (1) the original value of gifts donated to the endowment (2) the original value of subsequent gifts donated to the endowment (3) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund and (4) earnings on endowment assets until they are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Foundation and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Foundation
- The investment policies of the Foundation

From time to time, the fair value of the assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with generally accepted accounting principles, deficiencies of this nature are reported in unrestricted net assets. There were no such deficiencies at June 30, 2023 and 2022. The Foundation has adopted investment and spending policies for endowment funds that:

- Manage the funds in a prudent manner recognizing risk and return tradeoffs
- Maintain a diversified portfolio that provides for asset growth through a combination of investment income and capital appreciation comparable to established industry benchmarks
- Maintain sufficient liquidity to fund expenses and support the spending policy
- Comply with applicable laws

During the year ended June 30, 2022, no donors removed any perpetual restrictions on gifts. During the year ended June 30, 2023, one donor removed the perpetual restriction on a gift to allow those funds to be used for other purposes.

SAN DIEGO PUBLIC LIBRARY FOUNDATION DBA LIBRARY FOUNDATION SD

Notes to Financial Statements

Year Ended June 30, 2023 (With Comparative Totals for 2022)

Note 9 – Library Support

Library support includes direct payments to the library as well as payments to vendors on behalf of the library. In 2022 the Foundation and its partners started a community-based coalition looking to improve San Diego's libraries and parks through a ballot initiative. The Foundation spent \$260,136 and \$225,000 on this initiative for the years ended June 30, 2023 and 2022, respectively.

Note 10 – Subsequent Events

The Foundation has evaluated subsequent events through January 9, 2024, which is the date the financial statements were available to be issued.
